

Message from the President:

Hello Members and Friends of ICF San Antonio,

We want to celebrate with you a very successful International Coaching Week 2021, and this year it was truly international! During May 17th through the 20th, our chapter offered four virtual professional growth events, one in-person social event, and a new pro-bono coaching opportunity. The May 17th event was presented by two international members of the ICF Global Board for Professional Coaches.

You are always welcome to contact me with any questions or feedback at president2023@icfsa.org.

All the best,

~Susanna Clavello

Coach Connected: Get Involved!

Our chapter continues to grow with members, programs, partnerships and community outreach, and so has the workload. The nine members who currently serve on the board are working diligently on a voluntary basis and welcome your help. Please consider supporting our work by donating a few hours of your time.

Below you will find multiple ways in which your support would be greatly appreciated (even if it's only one hour per month).

1. Become a committee or board member.

We are currently recruiting volunteers to serve as:

- Membership committee members
- Programs & Events committee members
- Event Host/Tech support committee member*
- Community Development committee members
- Marketing & Communications board member**

Committee work is vital to accomplish our chapter goals with excellence and in a timely manner. Support us and donate 1-2 hours of your time and talent per week, and or even 1-2 hours per month will help. Apply below!

2. Become an event host or provide tech support.

If your time is very limited, we invite you to sign up to become a host or tech support during upcoming events. Hosts and tech support provide an additional level of member assistance, and a pleasant experience for both participants and speakers. Interested in being a host or tech support?
