

## San Antonio Coaches & Affiliates,

Last month I had the privilege of representing our chapter at ICF's Global Leadership Forum in Dublin. The Global Leadership Forum is a gathering of chapter leaders from around the world to discuss how we can advance coaching in our region. We had representatives from nearly 75 countries, including some of the newest chapters - ICF Serbia and ICF Doha.

(Pictured here are Magda Mook, CEO & Executive Director and Board Chair, Jean Francios Cousin.)

I was inspired hearing the vision of ICF as a global organization:

***"Coaching is an integral part of a thriving society and every ICF coach represents the highest quality of professional coaching."***

ICF is investing *significant* time and resources to continue expanding the opportunities for professional coaches. Thank you for being a part of this global organization dedicated to changing lives and advancing excellence around the world. I was proud to represent you in Dublin and am excited about the way we are growing the momentum of coaching in San Antonio and beyond.

## Fiesta 2019

Our chapter kicked off Fiesta 2019 in style at [Frederick's Bistro](#) in Shavano Park. Not only did we get to meet a few new faces, but our chapter President, Carissa Gay, shared a bit about the vision of coaching internationally from her most recent trip to Ireland for the Global Leadership Forum for ICF Global.

A good conversation ensued around the key question, "What is the greatest possible impact that coaching can have on the world?". There were several goosebump moments as creativity and ideas flowed around ideas on how to unlock human potential in our great city.
