

Maximizing Coaching in Organizations

Our chapter was thrilled to learn alongside our colleagues from ATD San Antonio at last month's event "Maximizing Coaching in Organizations" hosted at the University of Phoenix. We gleaned key insights about what coaching is, why it's significant, and what makes for an effective process when using coaching internally from **Carissa Gay** and **Mary Verstraete** from the Center of Coaching Excellence (CCE). CCE will be hosting a coach training course in San Antonio, September 20 - December 5, 2019. To learn more about CCE visit: centerforcoachingexcellence.com.
