Giving Effective Feedback

Susanna Clavello facilitated a rich time of interaction at the August Mastermind on **Giving Effective Feedback**. Along with live coaching, coaches had the opportunity to give and receive feedback in a "Coach Bowl". One attendee said, "I have been working since 6 o'clock this morning and feel tired. I was debating whether or not to come to the Coaching Mastermind tonight and I'm so glad I decided to come. This was well worth my time!"

"We are hired to do coaching for compliance when we actually need to do coaching for compassion." Susanna Clavello
