ICF San Antonio Scholarship!

In order to support the development journeys of coaches from underrepresented populations and those serving clients through non-traditional coaching specialties, ICF San Antonio has launched a scholarship fund to sponsor coach training and certification for these individuals. We are partnering with our coaching community and local organizations to create this scholarship and advance coaching in diverse populations.

Participants in upcoming events will have the option to donate \$5 or \$10 to a scholarship fund. Once funds are secured, the application period will be announced and open for interested parties.

Coach Connected: Get Involved!

Our chapter has grown in the last couple of years in terms of the number of members, variety of programs, partnerships and community outreach, and so has the workload. The nine members who currently serve on the board are working diligently on a voluntary basis and welcome your help. Please consider supporting our work by donating a few hours of your time.

Below you will find multiple ways in which your support would be greatly appreciated (even if it's only one hour per month).

1. Become a committee or board member.

We are currently recruiting volunteers to serve as:

- Membership committee members

- Programs & Events committee members
- Event Host/Tech support committee member*
- Community Development committee members
- Marketing & Communications board member**

Committee work is vital to accomplish our chapter goals with excellence and in a timely manner. Support us and donate 1-2 hours of your time and talent per week, and or even 1-2 hours per month will help.

*Please contact Tenice Wehmeyer, Director of Programming, at programming@icfsa.org.

**Please contact Aurora Geis, President Elect, at president-elect@icfsa.org.
