Message from the President:

Hello Members and Friends of ICF San Antonio,

Some of you have asked what your membership and event registration fees cover. Great question!

When you sign up to become an ICF San Antonio Chapter member, the annual registration fee is \$75 if you

Coach More

DRIVE Transition Pro-Bono Coaching - Thank you to all members who have signed up to participate in this program and support young airmen in transition. We had had a few technical difficulties with the Veterati platform that have been resolved and you should have received an email from Susanna Clavello with answers and details. If you are a volunteer for this program, please log into <http://veterati.com/ICFSA> and make sure your calendars are updated so the trainees can request appointments. Thank you so much for your support and your patience!

We need a volunteer to present a short workshop to the trainees on virtual interview skills sometime in October. The presentation can be virtual or in person at Joint Base San Antonio. If you are interested, please contact **Susanna Clavello** at president **2023@icfsa.org**.

Texas Conference for Women Coaches Corner - For the second year in a row the TCW will take place in an online format with coaching sessions opening at 2pm on October 8th, and again from 8:00 am to 5:00 pm on October 11th-15th. Volunteers will be asked to sign up for two 2-hour shifts. They will also receive a free conference registration.

Several members have already signed up to volunteer. If you'd like to add your name to the list, please contact Tenice Wehmeyer at **programming@icfsa.org** at your earliest convenience.

Peer Coaching - A big THANKS to all members who have been participating in this program! We sincerely hope it has been a pleasant and growth experience, and welcome your **feedback and suggestions**.

The first round of peer coaching is getting close to its completion, and the second round will begin in the near future. Depending on when you started with peer coaching, you may choose to continue working with your peer coach or be paired up with another member.

Coach Connected: Get Involved!

Our chapter continues to grow with members, programs, partnerships and community outreach, and so has the workload. The nine members who currently serve on the board are working diligently on a voluntary basis and welcome your help. Please consider supporting our work by donating a few hours of your time.

Below you will find multiple ways in which your support would be greatly appreciated (even if it's only one hour per month).

1. Become a committee or board member.

We are currently recruiting volunteers to serve as:

- Membership committee members
- Programs & Events committee members
- Event Host/Tech support committee member
- Community Development committee members
- Marketing & Communications board member

Committee work is vital to accomplish our chapter goals with excellence and in a timely manner. Support us and donate 1-2 hours of your time and talent per week, and or even 1-2 hours per month will help. Apply below!

2. Become an event host or provide tech support.

If your time is very limited, we invite you to sign up to become a host or tech support during upcoming events. Hosts and tech support provide an additional level of member assistance, and a pleasant experience for both participants and speakers. Interested in being a host or tech support?
